

STEP 1

Print this page out and follow the instructions below.

STEP 2

Measure the line below and make sure it is one inch in length.

1 inch

This will indicate if the page scaling option is on or off in your printer settings. If the length is not one inch please turn off your page scaling in the printer dialog box.

STEP 3

Locate the **first full box** (■) towards the edge of the paper. The boxes on each side will be your **unprintable margins**.
